Video intercom solutions for everyone

Facila neXt

Always connected

ENTRYA introduces Facila neXt, an innovative video intercom solution that connects you with your visitors.

Our professional solution is focused on comfort, with fast installations and easy to use interfaces. The Facila neXt 2-wire system was created with both the installer and the customer in mind. It offers an efficient installation process and a user-friendly app that allows you to see who is at the door, wherever you are!

✔ **EASY INSTALLATION**

✔ **USER-FRIENDLY APP**

✔ **QUALITY IMAGES**

✔ **EXPANDABLE TO 4 INDOOR AND 4 OUTDOOR UNITS**

Facila neXt

M71W

Simplicity:

The indoor station M17W with built-in support for the Android/iOS app and wifi is remarkably easy to use. Download the free app and easily link it to your system. Simplicity ensures the best and most optimal result. An indoor station with wifi connectivity offers end users countless possibilities!

Monitor with built-in wifi support Android/iOS app

Easy installation and communication with the M71W on your smartphone

DO NOT DISTURB

Enable or disable the 'Do not disturb' function. If the function is active, this device will not ring when the doorbell rings. However, the call may be forwarded to your mobile phone.

AUTOMATIC PHOTO RECORDING ON INCOMING CALL

A photo is automatically taken at the start of a conversation. During this conversation it is possible to take additional photos.

AUTOMATIC VIDEO RECORDING ON INCOMING CALL

At the start of a conversation, a video recording with sound is automatically made. During this conversation it is possible to record additional video images. *with micro SD card

CHANGE BACKGROUND

Change the background of your internal mail.

FLAT INTERCOM FUNCTION

Flat systems have an intercom function with which you can easily call up a person from the list of names. It is possible to communicate simultaneously with all entry panels.

RELAY MODULE

With the optional RM1 relay module you can switch on the outdoor lighting.

Glass touch screen

Glass has a smooth shiny surface which makes it dustproof and efficient to clean. In contrast to other materials, it is very easy to maintain.

Facila neXt

D21S

Outpost with card reader

The D21S outpost is very simple and convenient to use. It saves the consumer complex setups and manuals. In addition to the push button, the large illuminated nameplate is also a plus. The design is quite sober with a discreet built-in card reader that provides easy access through a personal tag.

Increase safety!

Combine the Facila neXt D21S with the ENTRYA camera to increase safety. With this 4 megapixel camera you can keep a perfect eye on the driveway or garden with your indoor station or with the Facila neXt app. This camera is weatherproof and has up to 30 metres of night vision.

BUILT-IN CARD READER

Thanks to the built-in card reader you can open the door with a personal tag. This is done safely, simply and above all very user-friendly. The key is replaced by a tag with RFID technology.

CONNECTION FOR ELECTRIC LOCK AND AUTOMATIC GATE

Operate your electric lock and/or automatic gate with your entry panel, tag or Facila neXt app.

BREAK-IN SAFE

Always know who rang the doorbell. When you ring the doorbell, a photo or video is automatically taken, if set. The optional RM1 relay module makes it impossible to open the door in the event of sabotage of the entry panel.

PROTECTED AGAINST ALL WEATHER CONDITIONS

The Facila neXt not only has a beautiful design, but is also resistant to all weather conditions. With the optional rain hood you limit raindrops on the camera and you always have a good view.

Facila neXt

D22S

Outpost with keypad

The combination of one bell push button and the code keyboard creates a beautiful and elegant whole. With a single push of the button you take action and make use of a clear keyboard. With the illuminated keys, the desired code can be entered without any problem in all circumstances.

Increase safety!

Combine the Facila neXt D22S with the ENTRYA camera to increase safety. With this 4 megapixel camera you can keep a perfect eye on the driveway or garden with your indoor station or with the Facila neXt app. This camera is weatherproof and has up to 30 metres of night vision.

ILLUMINATED KEYS

With the Facila neXt D22S you can easily enter your code. Thanks to the illuminated numbers on the keys, you can also operate the keyboard at night without any problems. The keys are optimally integrated into the keyboard. The result? A beautiful, contemporary design.

CONNECTION FOR ELECTRIC LOCK AND AUTOMATIC GATE

Operate your electric lock and/or automatic gate with your entry panel, tag or Facila neXt app.

BREAK-IN SAFE

Always know who rang the doorbell. When you ring the doorbell, a photo or video is automatically taken, if set. The optional RM1 relay module makes it impossible to open the door in the event of sabotage of the entry panel.

PROTECTED AGAINST ALL WEATHER CONDITIONS

The Facila neXt not only has a beautiful design, but is also resistant to all weather conditions. With the optional rain hood you limit raindrops on the camera and you always have a good view.

Facila neXt APP

Stay connected, no matter where you go

At your workplace, office or at home: with the Facila neXt app you are always connected to your home. You can easily access your Facila neXt installation via your smartphone by installing the app and connecting it to the system. In this way you can use the Facila neXt app on your smartphone from anywhere in your garden or house.

Facila next: free APP FOR A SAFER HOME

Look who's at your door, wherever you are... at home, at work or on the road. The app is easy to use and free to download for all end users and available on both Android and iOS platforms.
